The story revolves around two families, an upper-class Punjabi family and matriarch Maanvati's (Pulkit Samrat) British-Punjabi family, called the Ranke. Both families are in agreement about marriage for their respective children. Maanvati's son is to marry his girlfriend Shani (Freida Pinto), but her well-to-do matriarch mom is adamant about the fact that the Ranke should not allow their daughter to marry a lower class Punjabi boy - something that would be morally unacceptable in their community. The film explores what happens next when this kind of pressure comes into play. Table No. 21 2 Full Movie Download 720p getranke talienisch is an enjoyable watch if one tunes in to it with an open mind. We are in familiar terrain here, worlds away from the kind of stuff our Nagesh Kukunoor usually makes, which is why it comes as a surprise when you find Kukunoor at the helm of this English film that he has also written. He explores relatively less explored subject matters in this film and does justice in bringing forth his story at each point in time. The direction by Nagesh Kukunoor is pretty strong and his writing has worked quite effectively for him here too.
